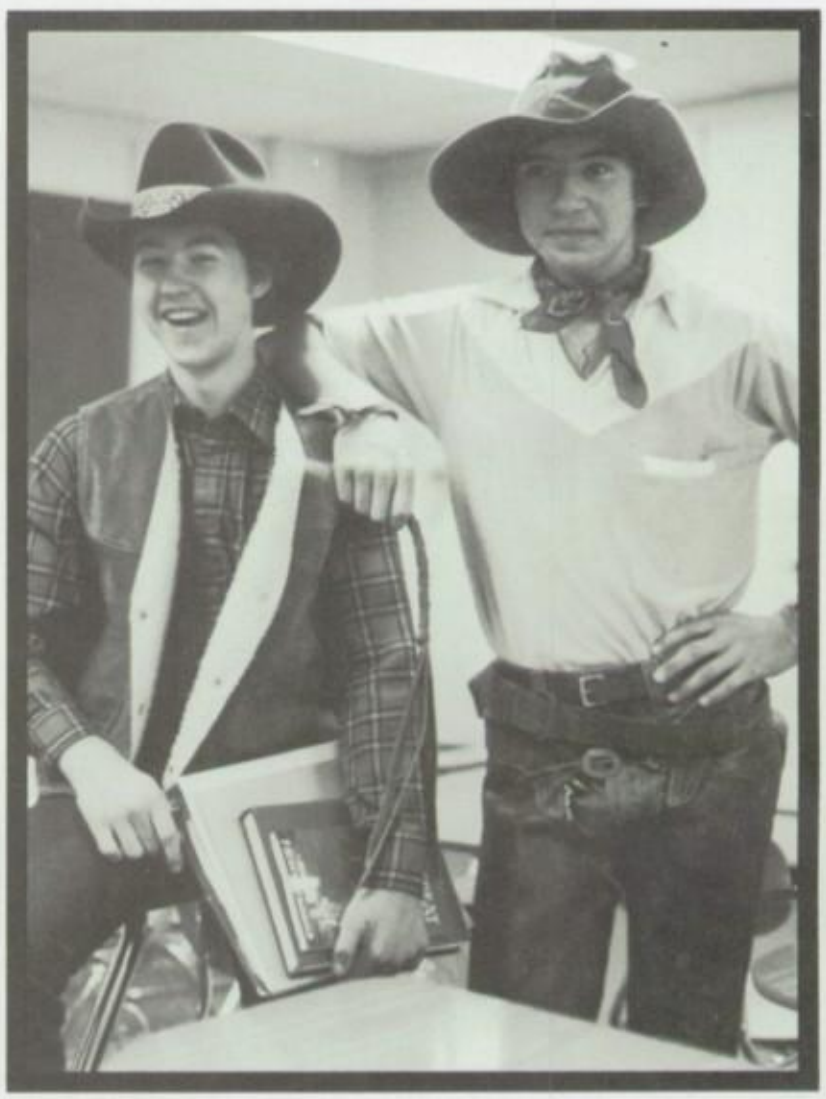
Time to Start the Year's Festivities



Let's get this show on the road

Come on, Nancy, let's get the show on the road.

Kicking off the Pep Assembly.

The first week in October found H.D. Jacobs students busily preparing for Homecoming. Seniors swept all activity-week awards including: Spirit jug, Hall Decs, and float. The Homecoming weekend itself began with the crowning of the King and Queen at the pep assembly. John Ilkow and Kathy Marvin reigned over the rest of the weekend festivities. Spirits were slightly dampened by the loss of the football game but were rekindled by the music of Fury at the Homecoming Dance. More students attended this dance than any dance in the history of Jacobs.

After last year's successful football season, this year's Golden Eagle varsity football team ran into some problems. Lack of experience and size, resulted in an 0-9 season. Two team members who were voted all-conference were Mike Corriveau and Todd Mugler. Mike's play won him a college scholarship. Although the season was not a success, the team felt it gained valuable experience and skill that will hopefully put next year's varsity team on the road to victory. The team has gained a sense of cohesiveness and purpose.

After coming off an undefeated season as freshmen, the sophomores ran into many problems' one of which was injuries. The young Eagles started the season hot by destroying Marengo, tying Wauconda, and beating Crown. They played one of the best games of the season against Crystal Lake South, unfortunately time ran out and the Eagles lost their first game since entering high school. The team finished the season with a 4-4-1 season. Coaches Huling and DeCicco hope the team can bounce back as juniors and regain their pride and winning attitude and help the varsity on to a winning season in 1981.

Of all the Golden Eagle football teams, the freshman team was by far the most successful. The team finished 6-0-1 in Conference play and 6-2-1 in overall play. This was the second year in a row that the Freshmen Eagles were Conference Champs. It looks like a winning spirit has started.

The 1980-1981 cheerleading squads were quite active in fund raising projects this year. "Spirit Caps" sales, Homecoming Corsages and bake sales throughout the year kept everyone busy. Funds raised provided for art supplies.

Once again, each girl chose which sports she wished to cheer for, giving a total of twenty-five individuals the opportunity to participate in cheerleading activities this year.

The highlight of the year for all of the cheerleaders was the award — Best Conference Cheer — presented to the Varsity Cheerleaders at the first annual Fox Valley Conference Cheerleading Clinic held at Cary-Grove High School. The Varsity squad demonstrated excellent "spirit," coordination and cooperation in achieving this honor.

On November 14 and 15, 1980, the Jacobs Thespians produced their fall play, "Arsenic and Old Lace." This play is the story of two elderly sisters who adopt murder as a charity. Their nephews have varied reactions to their activities — Mortimer, the lawabiding sophisticate, is appalled and tries to protect his aunts. Teddy, the lovable lunatic, see the "yellow fever" victims as an opportunity for more canal digging. Sinister Jonathan joins in the contest for "charity cases" threatening anyone who tries to stop him. In the end Good wins out, and Teddy and the aunts are taken care of.

Freshmen- Left to Right: Brad and Brenda Legnoali; Pam and Pat Wilson; Gary and Sherri Stoltman; Krista and Lyn Baldwin; Christopher and Chuck Baine

When asked how they felt about being a twin, most said that they liked it, "It's good and bad." Almost all of the twins had similar interests. Said Mike Schwiehs, "Yeah, we fight. We also like music a lot: (they are both in most of the bands in school), both drive good looking cars (they have MGB's) and we both work at the same place." There are also times when the twins are complete opposites. An example is Mike and Mindy McCabe. They are most different in their appearance, and personality. Mindy is right handed while Mike is left handed. One is also very quiet and the other is very out-going and talkative. One set of twins said they often think alike, believing in the ESP between twins. Said one, "We once answered a questionnaire and we had the same answers but we were at different ends of the room."

If you're walking down the halls at Jacobs High School and someone says "Hi" to you and then thirty seconds later you see the same person, look again, it may not be who you think it is. It may be one of their many twins. This year Jacobs High School has eighteen sets of twins, more than any other school in the District 300. Out of the eighteen, five of the twins were identical. They are, freshmen Christopher and Chuck Baine, Sophomores Sophia and Miriam Reinl and Ben and Glenn Nelson; and seniors Gail and Cheryl Schwab.

H.E.R.O. is also involved in raising funds through monthly donut sales. The proceeds from these sales help pay for the annual Employer Appreciation banquet as well as educational field trips throughout the year. Pom Pons Step High

The 1980-81 Pom Pon Squad performed at four home football and four home basketball games. This year's performances had more variety of costume and music, and the added advantage of a live band. The girls had money making projects, some went to camp, and all worked very hard. Some of the more memorable occasions included the first surprise ending, falling on the football field, losing a top hat, and walking around school with jingle bells attached to their shoes. Practices were longer at times and very intense as the girls did their best to entertain the home crowd. The effort was well worth it as the girls finished the season with very fine performances.

Stats and Cheers

Cheerleaders. Dawn Rezab, Danielle Washburn, Joy Lampe, Tammy Bottcher, Michelle Key.

The wrestling cheerleaders' responsibility is to support and give encouragement to the wrestler in each match. It is this support that can arouse the crowd and the resulting cheer will cause the wrestler to give that extra little bit that can mean a pin.

Wrestlerettes. Row 1: C. Novak, M. Durden, K. O'Connor, B. Vann, M. Knigge, L. Byrne. Row 2: Mr. Keller, J. Neckar, J. Wasilk, S. Walker, M. Drapanes, C. Shirmer, G. Schmidt, A. Showers.

The wrestlerettes go to every wrestling meet and keep track of all the statistics for each wrestler. They write down the number of takedowns, time in which a wrestler pins his opponent, and other vital information, not only for the player but also for the coach. Another important function of the wrestlerettes is to raise funds for the promotion of the wrestling program at Jacobs.

Gymnasts "on Deck" Again

Jacobs High School finally has a gymnastics team again. After an absence of one year, Ms. Ann French took on the job of coaching this year's squad. Some of the girls had competed for the squad 2 years ago, a majority of the squad was made up of freshmen. With the skills gained this year — next year's squad should have the experience necessary to have a winning record.

The Jacobs High School Music Department continued to grow in quality and in numbers during the 1980-1981 school year. Over 25 percent of the student population participated in at least one of the seven choruses, four bands and orchestra. Many enjoyed participation in two or more organizations. The top musical groups and individuals participated in area and state contests and festivals. Jacobs also hosted the District 300 Middle School Vocal Contest and the District 300 Piano Contest. Many music students were integral members of the cast and orchestra of this year's musical, Fiddler on the Roof. Several members of the band and orchestra played in the Elgin Youth Orchestra.

Fiddler on the Roof

This year's musical involved more students than ever before. Under the direction of Miss Glenn, Mrs. Steffen, Mr. Iddings, and Mr. Peterson, those students directly involved in the production of "Fiddler on the Roof" included: G. Nardulli, D. Buchanan, D. Jensen, R. Story, L. Roberts, J. Rampe, R. Klein, K. Iddings, S. Chamberlain, L. Kane, J. McCall, B. Kalata, J. Drewke, K. Bohlin, S. Thadani, S. Strum, B. Silva, G. Nelson, J. Forslund, J. Wachholz, R. Roberts, L. Botes, J. Konitzer, and C. Mini. Both Miss Glenn and Mr. Iddings felt that the students became much more involved in this production than those in the past. The students learned of the suffering and poverty that was a major part of the effect of the musical. "Fiddler on the Roof" proved that Jacobs students are capable of quality theatre.

The overall record for freshman boys baseball was 6-10. The Conference record was 4-10. Nick Cappelletti led the team in stolen bases, runs scored, and had a hitting average of .410. Coach Foster said the team was plaqued with a 1-6 record at the start of the season because of a lack of non-conference games. "If they play baseball over the summer and get the experience they need, there is enough good talent on this team to make them successful in the future."

Coop Students Feat Employers

Sharon Kuczynski - Outstanding WECEP Student

Nancy Smith - Outstanding HERO Student

May 7 marked the end of a year of training in the work world for the students enrolled in the Cooperative Education program at H.D.J. It was now their turn to thank their employers for the last year of experience by treating them to dinner. The students had worked all year to help pay for the banquet which was held at the Blue Moon in Elgin. The HERO club and class had sold donuts throughout the year to help pay for the dinners. The other coop programs had sold over $2,000 in candle sales to help pay for the meals. On the big night, over 420 students, administrators, co-ordinators and employers attended the event. At the banquet each program named their outstanding student. The Coop programs offered at Jacobs include HERO, OO, DE, ICE, CWT, and WECEP. Mrs. Humphries is the coordinator for HERO, Mr. Slimko handles WECEP, and Mr. Block controls the rest of the programs.

Senior Superlatives

One of the honors that seniors enjoy most is to be elected by their fellow classmates as one of the Senior Superlatives. In April and May the seniors voted in their homerooms on the categories that they wished to have for Senior Superlatives. Once the categories were established, the seniors voted for those students that they felt best embodied these characteristics. In May the Senior Superlatives went to Aunt Kate Fisher's Boarding House to have their pictures taken. The yearbook staff would like to thank the management of Aunt Kate Fisher's for being so helpful and considerate in letting us take the following pictures.
